STATE OF INDIANA
DEPARTMENT OF ENVIRONMENTAL
MANAGEMENT

Att: Mr. Andy Knott

Gentlemen:

ASBESTOS DISPOSAL REQUEST

In accordance with the National Emission Standards for asbestos, we are submitting a request for State approval to dispose of asbestos waste insulation located at the Mobil Oil Corporation, East Chicago Terminal.

- The Operator is Mobil Oil Corporation, 3821 Indianapolis Boulevard, East Chicago, Indiana.
- The facility from which asbestos waste is to be removed is the "mothballed" East Chicago Refinery located within the East Chicago Terminal owned by Mobil Oil Corporation, 3821 Indianapolis Boulevard, East Chicago, Indiana.
- Mobil currently plans to have 1000 cubic yards of asbestos removed at various times during 1986, from May 1, 1986, through November 30, 1986.
- Handling and disposal of asbestos waste will be in accordance with Subpart B - National Emission Standards for asbestos and Occupational Safety and Health Act guidelines for asbestos handling.
- The proposed asbestos waste hauler will be Calumet Waste Systems, P. O. Box 4147, Hammond, Indiana 46324.
- The proposed asbestos waste disposal site will be Wheeler Landfill, P. O. Box 181, Wheeler, Indiana 46393.

Air Pollution Control Division -2-

March 31, 1986

The proposed asbestos waste removal contractor will be Superior Systems, Inc., 2205 Droste Road, St. Charles, MO 63301.

Your prompt attention to this matter will be appreciated. Please advise should you require any additional information.

Very truly yours,

J. E. Coco
Terminal Superintendent
